

SPONSORSHIP OPPORTUNITIES FOR STATUS CODE 14

Would you like to get more involved with Status Code 14?

Would you like to become part of the extended team along with other businesses and organisations?

Would you like to assist us in raising funds for two significant charities?

Do you want to make a difference?

If so, we welcome you onboard.

This is the start of our journey but we recognise the importance of having a wider team involved in our forthcoming challenges.

We're offering your business or organisation the chance to become corporate sponsors of the Status Code 14 challenges. Becoming a sponsor will enable these challenges to not only become reality, but in the process significantly increase the funds we are raising for our two chosen charities.

We will soon be announcing different levels of sponsorship opportunities. These will involve the provision of financial support in return for association with Status Code 14 and a substantial range of marketing and PR opportunities for your business or organisation, depending on the chosen level of sponsorship.

In addition to corporate sponsorship, we will be launching an online donations facility for personal sponsors who may want to support us.

If you would like to discuss sponsorship opportunities with the team, or would like to arrange a meeting, please do contact us.

We look forward to working with you and raising both funds and awareness for our chosen charities.
